

Training from green pepper

Green Pepper is a small and specialist consultancy, currently providing online training during the COVID-19 pandemic. Established in 2016 by David Green, Green Pepper has an excellent track record working with a range of voluntary sector organisations and other non-profit organisations.

Expertise..

Green Pepper specialises in health, safety, and wellbeing; leadership and management skills; improving working relationships; crisis management; and data protection. Training courses can be designed to suit your needs. Some recent topics include:

- Building trust in your leadership
- New manager skills
- Risk assessment, step by step
- Safeguarding, a trustee responsibility
- Data protection essentials
- Holding difficult conversations
- Improving health and safety organisation

To discuss your training needs, please contact David on 07484 785666.

Feedback from recent courses

“Useful and helpful content. Slides had just the right amount of information, and pace of delivery was spot on.” *Managing Remote Teams, Webinar 11 June 2020*

“Thank you - this was one of the best webinars so far - concise and also making all the very important points clearly.” *Preparing to Move Out of Lockdown – Webinar 8 July 2020*

“Gave a comprehensive overview of the H&S risk assessments, making it simple and non-threatening.” *Risk Assessment, Step by Step – Online Workshop 3 September 2020*

“Content was perfect - short and sharp but covered key areas and provided clarity on specific topics and why they are important for building trust for a Leader.” *Building Trust in Your Leadership – Online workshop 22 September 2020*

“Content well-judged for the amount of time we had, and subject matter very relevant and on-topic.” *Safeguarding, a Trustee Responsibility – Online workshop 1 October 2020*
